INCLUSIVITY

The NCF promotes inclusivity by recognizing the diversity of learners and ensuring that the curriculum is relevant and accessible to all students regardless of their socioeconomic, cultural, or linguistic backgrounds. This can help to reduce disparities in education and ensure that all students have an equal opportunity to succeed.

COMPETENCY BASED LEARNING

Competency based learning or competency based education is a framework for teaching and assessment of learning. It is also described as a type of education based on predetermined "Competencies" which focuses on outcomes and real world performance. The NCF is designed to cater to the needs of learners from diverse backgrounds and to ensure that they receive a quality education that prepares them for life.
